A MESSAGE FROM THE PRINCIPAL

High School Summer Hours

The high school will be open from 7:00 am until 3:00pm Monday through Friday throughout the summer. If you wish to meet with a guidance counselor please call for an appointment at 229-4025.

Summer Bullying Prevention Forum

Parents and community members are invited to join us for our first "Bullying Prevention Forum" on **July 20th at 7:00pm in the FDR auditorium.**

We will be discussing research and brainstorming solutions for the FDR community. Please spread the word!

New Cafeteria Floors!

FDR will be having our cafeteria floors replaced this summer. The construction will be contained to just café's and the surrounding areas.

Dear Roosevelt High School Community,

We are pleased to have completed another school year with many successes. Our students have put forth a great deal of effort resulting in both academic and extra-curricular success. We are proud of our faculty and staff and the wonderful job they have done with our students. This summer our administration will reflect upon improvements to academic and co-curricular programs for the coming school year.

We have already set priorities for the 2010-2011 school year. These priorities include setting the tone for a professional atmosphere. The faculty and staff will be working to create a consistent environment where the code of conduct is adhered to with each and every student. We will be enforcing the no electronic device rule, as well as setting high standards for attendance and preparation for class. As always we encourage parental support with regard to student behavior. We work to promote a school where respect for self, respect for others and respect for the school environment are held in high regard.

I would like to take this opportunity to thank you for supporting, nurturing and encouraging your son/daughter as they grow and mature through their high school careers. Also, we appreciate the support of our school budget, creative suggestions and positive comments you have given us over the year. Thank you too for taking time to read all the information in the report card packets. I wish you all a safe and restful summer vacation and look forward to starting a new school year in September!

Sincerely,
Barbara Marrine, Principal

RECOMMENDED SUMMER READING

Reading is extremely important to student success in school. Research has proven reading develops vocabulary, enhances creativity, promotes communication skills and increases comprehension skills. Summer independent reading is a great way to keep students' reading levels high. Our faculty and staff have worked together to create a recommended summer reading list. You will find the list on the reverse side of this letter. We encourage your family to make it a priority to partake in some independent reading this summer. It is a fun way to enjoy interesting and intriguing literature and then engage in conversations about what you have read!
