Dear Parents/Guardians and Students,

Thank you for your interest in our interscholastic athletics program. **There are several important steps that must be taken in order to be eligible to try out. The steps are:**

1. Complete the district Interscholastic Athletic Parent Consent, Eligibility and Health Status Review, Parent-Interscholastic Sports Acknowledgement, Health History and Status Review Since Last Medical Examination and Parental Permission. **Be sure that each of you signs in the appropriate spots.
2. Return the packet to the Health Office as soon as possible.
- 3. NO PAPERWORK WILL BE ACCEPTED AFTER MARCH 5TH.**
4. Screenings will be scheduled with Dr. Ritter or Pat Freeman, CFNP. The student will be seen by either for evaluation. **If he/she has had a physical less than one year before the sport will start and we have a copy of it on file, the evaluation is a review with the student. Otherwise, the student will have a complete physical. The last days for physicals for boys and girls will be during the week of March 8th.**
5. If the student is found fit to play, the Interscholastic Athletic Parent Consent form is signed by the medical and nursing staff.
6. The form is sent to Amy McArdle, Athletic Director, for review. She then signs it and gives it to the coach for the sport.

At this point, the student may participate in tryouts for the sport.
