January 2008

Dear Parent:

We are excited to let you know that we will offer you a new and improved MealpayPlus beginning on January 1, 2008! We have added upgraded enhancements and features to MealpayPlus to continue to offer you the convenience and information you need to manage your student's account. In addition to a new state-of-the-art parent support center, you now have the ability to view pending and confirmed payments!

**Due to system upgrades, each parent will need to register or re-register their account on [www.mealpayplus.com](http://www.mealpayplus.com) after January 1, 2008.** Instructions on how to register are listed on [www.mealpayplus.com](http://www.mealpayplus.com). All account balances and deposits made through MealpayPlus before the end of the year will reflect on your new account. Please be advised that MealpayPlus will be closed from December 24, 2007 through January 1, 2008.

**\*\*Don't forget to reset your Low-Balance Email Reminders and Auto-Replenish payments. These settings will need to be re-activated on your new account. \*\***

For those parents not familiar with the system, MealpayPlus allows parents to go online to [www.mealpayplus.com](http://www.mealpayplus.com) to manage your student's meal account. MealpayPlus allows you to make deposits, view account balances at no cost and even create settings to auto-replenish your account or receive free reminder emails when the balance is low. Visit [www.mealpayplus.com](http://www.mealpayplus.com) today!

If you have any questions or concerns, please do not hesitate to call our office. Your satisfaction is our number one priority and we're looking forward to offering you a new and improved MealpayPlus!

Sincerely,

Holly Peters Heady  
School Lunch Director
