Lunch...We offer all students the five component menu items. Students must take a minimum of three items, but may take 4 or 5 components: fruit, protein, milk, bread, vegetables -- However, full price will be charged whether or not the student takes 3, 4, or 5 components.
Breakfast...We offer all students the four component menu (milk, fruit, 2 protein or 2 bread or 1 protein and 1 bread). Students in all grades must take a minimum of 3 components -- However, full price will be charged whether 3 or 4 components are taken.
The purpose of offer vs. serve is to reduce waste, but we do encourage our students to take and try all five components because of the nutritional benefits.
Unfortunately, menu may be subject to change without prior notice.
