Offer vs. Serve

Lunch...We offer all students the five component menu items.

Students must take a minimum of three items, but may take 4 or 5 components: fruit, protein, milk, bread, vegetables -- However, full price will be charged whether or not the student takes 3, 4, or 5 components.

Breakfast...We offer all students the four component menu (milk, fruit, 2 protein or 2 bread or 1 protein and 1 bread). Students in all grades must take a minimum of 3 components -- However, full price will be charged whether 3 or 4 components are taken. *The purpose of offer vs. serve is to reduce waste, but we do encourage our students to take and try all five components because of the nutritional benefits.*

Unfortunately, menu may be subject to change without notice.
