

The Hyde Park Central School District mourns the passing of Mr. John Seagren, long time school board member and student advocate. Mr. Seagren served over 28 years on the Hyde Park School Board, and 15 years on the Dutchess County BOCES Board. Mr. Seagren recently won the 2011 Award for Excellence for School Board Service from the Mid-Hudson School Study Council. He was a local businessman who served the District and the community relentlessly. He was instrumental in getting the FDR swim teams created, and established a swimming scholarship in he and his wife's name. Mr. Seagren will be remembered for his kindness and compassion towards everyone he encountered. He will be missed in our district.
